Fish and Game Code Section 3241 was established to allow the Department to accept one application for commercial hunting clubs leasing or renting more than one property and requires Commercial Hunting Clubs to pay a fee for each property used by their club.

How these changes affect you

If more than one property* is used by the club, you must also complete and submit the enclosed Commercial Hunting Club Application License Attachment and a license fee of \$354 for each property used for hunting.

****A property is defined as a number of contiguous (sharing an edge or boundary) legal parcels held by an owner or a combination of owners and held out for a common purpose.***
